- "Information Literacy, Outcomes Assessment and an Innovative Use of Technology" - Geetali Basu, Regina Cannizzaro and Diane Davenport, Learning Resource Center, County College of Morris.

2005

- **Winner:** "Next-Gen Integrated Library Systems - James Robertson, New Jersey Institute of Technology.

- "The VALE Virtual Reference Project using QandAnj" - Jane Crocker and the VALE Reference Committee.

- "Integrating the Library into the William Paterson campus portal using SCT Luminis" - Kurt Wagner, WPUNJ.

2004

- **Winner:** "FEDORA: A Framework for Creating a Digital Library Repository - Ronald Jantz and the FEDORA Implementation Team, Rutgers University Libraries.

- **Winner:** "Library Inventory System using PDA/Palm Scanner" - Edith Sirianni, Sidney Silverman Library, Bergen County Community College.

- "The Information Commons Learning Environment" - David Murray and the Information Commons Team (Brookdale CC).

- "An Inexpensive Way to Start Electronic Reserves Service" - Alfred Fry, Camden County Community College.

2003

- **Winner:** "Using Open Source Software (OSS) in library applications" - Edward Corrado, System Administrator, Rider University Libraries.

- "Using Plan9 and Inferno Operating Systems in Libraries" - Brian Hancock, Rutgers Univ.

- "The NJIT electronic thesis and dissertations project" - Richard Sweeney, James Robertson, Matthew Brown, NJIT.

2002

- **Winner:** "Information Literacy in the Wired University" - Xueming Bao, Beth S. Bloom, Marta Mestrovic Deyrup, and Sr. Anita Talar, Seton Hall University.

- "The NJIT electronic thesis and dissertations project" - - Jim Robertson, NJIT

- "Using open source software in Libraries": Ed Corrado of Rider Univ.

- "Working with XML and electronic texts" - Brian Hancock of Center for Electronic Text in the Humanities (CETH) at Rutgers University.

Technology Committee	
Matthew Brown, NJIT	Linda Langschied, Rutgers Univ.
Regina Cannizzaro, County College of Morris	Ray Schwartz, Chair - WPUNJ.
Margaret Deng, Union County College	Denise O'Shea, Montclair Univ.
Linda Silverstein, Monmouth Univ	Richard Stern, Seton Hall Univ.
	Rong Wang, Bergen CC

Celebrating Ten Years of the Technology Innovation Award

The NJLA College and University Section Technology Innovation Award honors a librarian or group of librarians for innovative use and application of technology in a New Jersey academic library. The purpose of the award is to recognize distinguished leadership in developing new technologies for academic libraries. The following lists the New Jersey librarians, their projects, and Project Teams, including the nominees and winners of the Award since its beginning in 2002.

2012

- **Winner:** "RUanalytic: Video annotation tool: enabling learning, transforming scholarly publication - led by Chad M. Mills, Rutgers Digital Library Architect, Grace Agnew, Associate University Librarian for Digital Library Systems and Yang Yu, Rutgers Library Database Architect

- "Creating a Library Community in Blackboard Project" – Steve Shapiro and Shunfa Li (Montclair University)

- "Embedding LibGuides into SOCS Project" – Sharon Whitfield and John T. Oliver (The College of New Jersey)

- "The Implementation and Application of CORAL: An Open Source ERM System Project" -Yongming Wang and Jia Mi (The College of New Jersey)

- "Going Mobile Project" - Jenny Pierce and Yingting Zhang, UMDNJ University Libraries.

2011

- **Winner:** "NJVid Commercial Video Collection - a multi-institutional statewide effort to bring licensed educational streaming video content to VALE academic library consortium members, led by: Sandra Miller, Co-Principal Investigator, NJVid IMLS Grant (William Paterson U.); Grace Agnew, Co-Principal Investigator, NJVid IMLS Grant (Rutgers U.); Sujay Daniel, NJVid Manager, NJEDge Senior Information System Architect; and Jane Hutchison, Chair, VALE Digital Media Committee (William Paterson U.)

- "Sidney Mobile and QR Library Codes Project" by Patricia Denholm, Dean of the Library, and Yolanda Sheppard, Technical Assistant, Sidney Silverman Library, Bergen Community College.

- "oneSearchBookMarklet Project" - by Barbara Arnett, Web Services Librarian, and Valerie Forrestal, Reference and Research Services Librarian, Stevens Institute of Technology.

- "FDU Library eReader and iPad Lending Program" - by Denise O'Shea, Systems Librarian, Fairleigh Dickinson University.

2010

- **Winners:** "Access in the Stacks - a remote reference touchscreen system, by Gary Golden and John Gibson, Rutgers University Libraries, Camden

- "Online Video Tutorials Project" by Mary Ann Trail and David Lechner, Richard Stockton College Library.

- "UMDNJ's Quick Search Tool" by Fengzhi Fan – Systems Librarian, Yingting Zhang – Information & Education Librarian, Robert Cupryk – Information & Education Librarian, and Kerry O'Rourke – Campus Library Director, UMDNJ – Robert Wood Johnson Library of the Health Sciences.

- "IntegraL Search Tool" by Min Song – Assistant Professor, Information Systems Department; and Ann Hoang – Assistant University Librarian, Robert W. Van Houten Library, NJIT

2009

- **Winners:** "Cheng Library Information-on-Demand Project" - Kurt Wagner, Coordination & Project Management, James DeRose - System Administration, Application Development: Tony Joachim, Mark Sandford, and Raymond Schwartz at William Paterson University.

- "Web based self-service natural language KnowledgeBase Reference Service" by Haymwantee P. Singh, Technical Reference Librarian, New Jersey Institute of Technology.

- "The Humanities Data Grid at Montclair State University" by Brian Hancock, Systems Librarian, Montclair State University Library.

- "Rutgers University Nursing Information Literacy Tutorial" - Jackie Mardikian, Medical and Pharmaceutical Sciences Librarian, Library of Science and Medicine, John Maxymuk, Nursing and Science Librarian, Paul Robeson Library, Ann Watkins, Life and Health Sciences Librarian, Dana, and the Members of the Rutgers University Libraries Instructional Services Committee.

2008

- **Winners:** "Rutgers Library Toolbar" by Choong Hoong Liew, Web Designer; and Mei Ling Lo, Math/Computer Science Librarian at Rutgers, the State University of New Jersey.

- "Online Information Literacy Tutorials - Sharon Yang, Systems Librarian, Rider University Libraries.

- "LibGuides at Princeton University Libraries" by Nancy Pressman Levy, Librarian for Public and International Affairs and Population Research Library, Princeton University Donald E. Stokes Library.

- "Building the Virtual Library in Second Life" - Craig Anderson, Reference Librarian, Nancy Thompson Library, Kean University.

- "eCRC Online Library Projects at the ADP Center for Teacher Preparation and Learning Technologies, Montclair State University" by Joe Russo, Curriculum Resource Center Coordinator, ADP Center for Teacher Preparation and Learning Technologies, Montclair State University."

2007

- **Winners:** "Creating New Library Spaces" by Marie Konyne Saimbert, UMDNJ, for her projects that integrate new technologies in instruction of medical information literacy in nursing and pharmacology.

- "Virtual Media Center" by Brian Richards, Middlesex County College, and the VALE Digital Media Committee on their work in developing the prototype of a "Virtual Media Center" with the Films Media Group and NJEdge.

- "RUetd, the Rutgers University Electronic Theses and Dissertations" by Ann Montanaro, Head of Library Systems, and Shaun Ellis, Web Applications Programmer for the RUetd team.

- "Research Collections and Preservation Consortium (ReCAP)" by Eileen Henthorne and the ReCAP staff on developing innovative materials processing and document delivery systems for off-site repositories.

- "Digital Scholarship—Access for All: Two Prototypes for a Low-Cost, Scalable Digital Repository" by Maura Kenny for the team of librarians and instructional technologists at Seton Hall University.

2006

- **Winner:** "Integrating RSS Feeds of New Library Acquisitions into a Course Management System - Edward Corrado, Heather Moulaison, and Eric Thul, The College of New Jersey,

- "Workflow Management System and Metadata Model" - Grace Agnew, Associate University Librarian for Digital Library Systems and Rutgers University Libraries.

- "Integrating the Library Website within the College Website" - Patti Schmid and the Website Integration Team, Cumberland County College Library.
